**RE: SUTTON, Jeffrey**  
**Probationer**  
**Docket # 08-00539-001**  
**NOTICE OF NEW CHARGES/**  
**REQUEST FOR A WARRANT**

Dear Judge Chesler:

On January 8, 2010, Your Honor sentenced the above-named offender on a charge of Unlawful Possession of a Firearm by a Convicted Felon to five (5) years probation with conditions. We write to provide notification of new criminal behavior and to allege that he is in violation of the conditions of his probation. Sutton violated the standard condition of probation which reads the defendant shall not associate with persons engaged in criminal activity. We recommend the issuance of a warrant for the arrest of Jeffrey Sutton.

On April 13, 2010, Orange, NJ, narcotics detectives observed Sutton and another person in an area known for drug sales. Police observed a hand to hand transaction between a pedestrian and occupants of the offender's vehicle. Officers then attempted to conduct a vehicle stop but Sutton drove away from the area at a high rate of speed. He ignored officer's signal to stop his vehicle and continued to sped away in a dangerous and reckless manner. Due to the unsafe conditions, officers broke off the pursuit of Sutton. They did eventually positively identify Sutton, and the vehicle he was operating. Orange police have charged Sutton with Distribution of CDS and Eluding. The offender is currently at liberty. We further note that East Orange Police will charge the offender with a separate CDS distribution charge, which reportedly occurred during the initial phase of community supervision.

Sutton, age 29, has an extensive and significant prior criminal record which includes Aggravated Assault, Eluding, and six narcotics convictions (two of these offenses involved possession of firearms). He is on state probation and has been noncompliant in that supervision term. Sutton is a danger to the community, a flight risk and he does not own real property. He faces significant prison exposure for his new offense as the Violation of Probation.

Honorable Stanley R. Chesler
